

# PHFS ANNUAL REPORT

7.1.16 - 6.30.17

BRANDI TUCK  
EXECUTIVE DIRECTOR

Our community still struggles with a housing crisis that is leaving thousands of moms, dads, and kids without a home. Over 1,500 families experience homelessness every night of the year in Portland. That's over 4,000 moms, dads, and kids who don't have a home. It's going to take our entire community to help solve this problem. That's why we're so grateful for our PHFS village of supporters - including you! Thank you to all of our donors, volunteers, community partners, and board members for helping end homelessness for 653 people over the last year.

653

Individuals  
Served

Our mission is to empower homeless families with children to get back into housing, and stay there.

Giving **Hope** to Homeless  
**Families** with Children

Ellen Vanderslice

“I experienced homelessness for eight months and it was incredibly hard for me and my kids. When we came to PHFS, they took so many of my worries away. PHFS changed my life and my whole situation. I took Rent Well classes, learned how to budget, learned my rights as a tenant, and learned to set and reach goals. Most importantly, PHFS helped me move back into a home for my kids. I finally found a place where people took initiative and cared about me.”

-ANGELA, MOTHER OF FOUR

# PHFS ANNUAL REPORT

7.1.16 - 6.30.17
